Week 2 has passed by in a flash! We are gradually getting used to the routines of the school day. There have been a few changes to the timetables to make things run more smoothly, your class teacher will keep you updated.

Teachers will have shared a Half Termly Curriculum Overview with you, outlining the main learning for the coming weeks. On Seesaw you can also see what the teacher - or your child - has posted. This gives you a real insight into what is happening in the class. Look at it together with your child and talk about what they have been doing.

Remember to send a hat and water bottle for your child, clearly labelled with name and class.

House T-Shirts

In Primary School the children wear their House T Shirts on Friday. During Assembly today, I explained to the children what a House System was. Many were familiar with this concept already from reading the Harry Potter books!

A House System is a great way to encourage gentle competition between groups of children!

Early Years Assembly

We had a delightful assembly on Wednesday with our youngest children and I was so pleased with how they responded and interacted. We were introduced to Ruby, my dog and then sang a range of our favourite songs.

It is so nice to be able to be altogether! Be sure to look at the photos and videos on your child's Seesaw.

Go Wild! Friday 16th September

In the past The First Steps has hosted a yearly Jungle Day. This is where the children come to school dressed up as a wild animal. This year we will be partnering with the charity Love Wildlife.

We ask that your child dresses up as a wild animal of their choice and brings to school 20B as a donation to the charity. We will learn all about how we can work together to help the endangered animals in Thailand.

ECAs (Extra Curricular Activities)

The sign ups for ECAs are running smoothly now. We will close the sign ups by 1pm on Sunday so that the lists can be prepared and checked ready to be shared on Monday morning. I am looking forward to seeing the children enjoy the wide variety of clubs on offer. I may join in some myself!

CONGRATULATIONS

Our first ever swim tryouts were very popular! Congratulations to those children who made the Squad this term!
